

QUALITY POLICY

It is the policy of the company to maintain a Quality Management System designed to meet the requirements of ISO 9001:2015.

WS Wright Ltd are committed to :-

- Complying with all compliance obligations which include legislation, client requirements and industry/sector requirements;
- Implementing and maintaining our Quality Management System in a manner which allows us to continually improve our performance;
- Involve our workforce in the planning, implementation, maintenance and improvement of our Quality Management System and the performance of our services;
- Ensuring alignment between our Quality Management System and our corporate objectives and targets;
- Aligning our Quality Management Systems with the requirements of interested parties, our business risks and opportunities and the expectations of interested parties;
- Providing our workforce with the knowledge, training and infrastructure to deliver a high quality building maintenance service and ensuring the organisation possesses the right culture and environment for all to strive.

This policy will be continually monitored and reviewed at least annually as part of our mandatory Management Review process.

Signed on behalf of W S Wright Ltd.

Mark Swaine
